

E-books offer: **Standing Order**

OpenEdition's Standing Order Service enables automatic access to new releases in one or several book series from partner publishers.

The Standing Order Service includes all the other value-adding services designed for libraries as part of the OpenEdition Freemium for Books offer (Counter statistics, Marc records, customization of the portal, etc.).

Offer characteristics

- Permanent purchase with no DRM or download quota
- Consortium / country discount
- Quarterly invoice
- Commitment over 1, 2 or 3 years
